FASHIONED AFTER: Jeff Rosenstock, Mischief Brew, Americana, every genre that has ever existed

EFFICIENT CAUSE: VIOLET formed the band because she was sick of being a solo act. Originally, the lineup was bass, guitar, and drums; when they needed a new bassist, VIOLET asked LO to join. In 2022, VIOLET and LO moved from MA to PA, and IVY joined on lead violin.

NAME GAME: name came to VIOLET in a flash; she liked it because it's edgy, cute, and twee

CREATURES: Jessica (tabby cat), Mara (black cat), Girl (IVY's tuxedo cat living in NY)

DESIGN: VIOLET starts with a song idea and comes up with roughly two verses, a chorus, and bridge. She writes based on her life, her friends' lives, and fictional narratives, and keeps a list of lyrical snippets in her notes app.

CUTTING: VIOLET brings a song to LO, who helps tie the pieces together, and they collaborate on the arrangement.

STITCHING: They show the song to IVY, who adds a lead part inspired by the song's themes.

PACKAGING FOR DISTRIBUTION: They record tracks with a Scarlett 2i2 in The Skirts' Headquarters (LO and VIOLET's basement)

DOGMA: religiosity, redemption, persevering through weariness, dark themes with a light sound

LIKELY NEXT MOVES: releasing their upcoming album *Call Someone Else!*, burning CDs
